The interior lights are on, and a large, glowing spherical light fixture sits on the deck in the foreground. The scene is set against a backdrop of trees and a twilight sky.

CASA TALLER

A photograph of a wooden boardwalk winding through a dense forest of tall trees. The boardwalk is made of light-colored wooden planks and leads into the distance. A simple wooden bench is placed on the boardwalk. The trees are tall and thin, with their branches reaching high into the sky. The lighting is warm, suggesting late afternoon or early morning. The overall scene is peaceful and natural.
